PROJECT NAME	CAR RESALE VALUE PREDICTION

The screenshot shows the IBM Watson Studio dashboard. At the top, there's a navigation bar with the IBM logo, a search bar, and user information for Pritha K's Account in Dallas. The main content area features a 'Welcome, Pritha!' message and three primary action cards: 'Take a tutorial', 'Work with data', and 'Learn what's new'. Below these, there's a 'Quick start' section with links to create data pipelines, build customer profiles, and catalog data. The central part of the dashboard displays a 'Projects' section with a 'Car resale' project, a 'New in gallery' section, and a 'Deployments' section showing a 'car resale deploy' status. A 'Notifications' section on the right indicates that the online deployment is ready. The bottom of the dashboard includes a system tray with weather information (25°C Cloudy) and a taskbar with various application icons.

This screenshot displays the 'car resale deploy' deployment page within IBM Watson Studio. The page has a header with the deployment name and tabs for 'Overview', 'Assets', 'Deployments', 'Jobs', and 'Manage'. The 'Deployments' tab is active, showing a table with deployment details. The table has columns for Name, Type, Status, Asset, and Last modified. A single deployment is listed: 'car resale_deploy' (Online, Deployed) with the asset 'car resale price - P4 Linear Regression', last modified '2 hours ago' by 'Pritha K (You)'. To the right of the table, there's a file upload area with a dashed box and the text 'Drop files here or browse for files to upload.' Below this, a message states: 'Stay on the page until upload completes. Incomplete uploads are cancelled.' The bottom of the page features a system tray with weather (25°C Cloudy) and a taskbar with application icons.
